**A Pre-Solicitation Conference will be held April 25<sup>th</sup> and 26<sup>th</sup>, 2017**, at the Comfort Suites (Baja and Mojave Rooms, NW end of the building), 2250 south 1200 west, Ogden UT. The intent of the LG-CSCI pre-solicitation conference is to provide potential offerors with a face to face opportunity to ask questions and receive clarification on the draft RFP. The Government will discuss the Technical Evaluation criteria, Past Performance criteria, TEP & Metrics, and will answer questions in an open forum on April 25th from 8:00am – 12:00pm. Small Businesses that intend to propose as a prime contractor, will have the opportunity to participate in private one-on-one sessions to be scheduled 1:00pm – 4:00pm that same day, and from 8:00 am to 4:00 pm the following day (April 26<sup>th</sup>). One on One sessions will be limited to one hour and should be scheduled through [william.brown@dla.mil](mailto:william.brown@dla.mil). Large business team members may accompany a small business prime during the one-on-one, but the Government will not be conducting one-on-ones solely with large businesses.

Any company that wishes to attend the Pre-Solicitation Conference must convey its interest by filling out the Attached LGCSCI industry day reservation form. E-mail your response by NLT 4:00pm on 18 April 2017, to [william.brown@dla.mil](mailto:william.brown@dla.mil). Indicate your interest in participating in Industry Day and, for small businesses, indicate whether or not you would like to schedule a one-on-one session.
